**Jindal Global Business School (JGBS) is uniquely positioned in multiple ways to provide an unparalleled experience to our students.**

**Prof. (Dr.) MAYANK DHAUNDIYAL,**  
Dean, Jindal Global Business School

At Jindal Global Business School (JGBS), we are dedicated to providing our students with an outstanding education that prepares them for success in their chosen fields and the best possible ecosystem for our staff and faculty members to help them realise their true potential. JGBS was recently recognised as the first Fairtrade Business School in India. We received this prestigious award from Fairtrade India and the Fairtrade Network of Asia and Pacific Producers. Fairtrade organisations are part of a global movement for trade that is grounded in responsible and sustainable business operations. Fairtrade brings together leaders, innovators, practitioners, and pioneers across the Fairtrade ecosystem to open up channels for responsible trade, green procurement, sustainability education, green finance, producer growth, and welfare, all aligned to the United Nations Sustainable Development Goals.

The recognition comes as a result of our commitment to sustainability, including planning and conducting research and capacity-building seminars on sustainability, circular economy and allied areas, taking part in Fairtrade campaigns, and teaching about Fairtrade cases in the classroom.

BBA Programme of Jindal Global Business School (JGBS) is Ranked India's FIRST & BEST programme in the coveted OUTLOOK-ICARE Rankings 2023. This has happened barely in 7 years since the launch of the BBA programme by JGBS in 2016.

JGBS is uniquely positioned in multiple ways to provide an unparalleled experience to our students via its various undergraduate, postgraduate, and doctoral degree programmes.

First, Multidisciplinary Education is at the very core of our thought process, not only at the business school but also at the university. JGBS students have access to courses offered by the eleven other schools of JGU and multiple institutes and research centres within the JGU ecosystem. This is, of course, in addition to the vast number of management elective courses offered by the different departments within JGBS.

### INTERNATIONAL STUDY ABROAD COLLABORATIONS

Our global network of partnerships with leading universities and business schools around the world

ensures that JGBS students have access to exciting short- and long-term international mobility options spread across five continents. JGBS currently has a massive 200+ international collaboration agreements (and growing) across five continents, which offer tremendous exposure for our students while helping them become more adaptable and globally aware, thereby dramatically enhancing their employability.

### WORLD-CLASS FACULTY

Third, our faculty-to-student ratio is among the best across business schools, not only in India but even in Asia. JGBS has around 160 full-time faculty members, making us one of the largest business schools in India based on the number of full-time faculty members. Our faculty are experts in their fields and have doctorates from some of the leading universities and business schools in India and abroad. According to a list that Stanford University in the United States and Elsevier recently published in October 2023, three JGBS faculty members are among the top 2% of scientists worldwide.

### RESEARCH OUTPUT

JGBS is a research-intensive business school with

one of the highest research outputs among all the public and private business schools in India, as measured by the number of Scopus-indexed research publications. Our faculty members regularly publish their cutting-edge research in top-ranked peer-reviewed management journals. As on 3<sup>rd</sup> July 2023 JGBS Faculty members have published 332 SCOPUS Indexed Publications.

### JGBS | 750+ INDUSTRY GUEST LECTURES | 2023

JGBS has successfully completed a staggering 750+ industry guest lectures as part of our undergraduate and postgraduate programmes, notably the 1-year Global MBA, 2-year MBA, BBA (Hons.), BBA (Hons.) (Specialised), and Integrated BBA (Hons.) + MBA programmes. Our guest speakers, many of them CXOs, came from some of the leading firms in India and beyond, including Deloitte, PwC, Microsoft, Larsen & Toubro, Capgemini, HCL, EY, Nestle, Accenture, Bank of America, HDFC Bank, KPMG, Intel, Bajaj Group, Novo Nordisk, Amazon, ITC, British Telecom and Flipkart. These industry guest lecturers discussed a variety of themes, including generative AI, managing family businesses, product management, disruptive innovation, team dynamics, consumer behaviour, strategic HRM, digital transformation, startups, student careers, leadership in a volatile world, and many more.

Industry guest lectures form an important part of business education at JGBS. They provide students with valuable insights and real-world experiences from experienced professionals in the field. These lectures offer a unique opportunity for JGBS students to learn about current industry trends, challenges, and best practices directly from those who have excelled in their respective industries.

### STUDENT COHORT

JGBS has now surpassed a significant milestone of having over 2100 students across all its programmes from 26 Indian States. Not only are our older programmes now firmly established as quality programmes in the country but this year we have also received a tremendous response from students in all our new Undergraduate specializations as well.

**I would like to invite you to visit our campus in Sonipat to experience all that JGBS has to offer!**
